Quentin Blake Mugs

Here they are! A set of three, stunning fine bone china mugs featuring the 3 drawings by Quentin Blake that have associations with Newnham. 'The Storming of the Gates' was drawn especially for Newnham and is now featured on a mug with 'Newnham College' stamped on the bottom. The other two drawings were commissioned to celebrate the University's 800th Anniversary. They feature Newnham Alumnae, Dorothy Garrod and Rosalind Franklin and have 'University of Cambridge 800 Years' on the bottom. These mugs can be ordered separately but why not order a set of all 3 or 3 of a kind and save!

(Please note that because the Fitzwilliam Museum is already selling the Franklin Mug, we are restricted to their design; the picture only appears on one side)

Price per mug: £7.99

Price per set of 3: £22.00
