

Newnham Associates Summer 2020 Careers Programme **A career in Healthcare provision and policy including Veterinary medicine**

Want to find out more about a career in healthcare or veterinary medicine?

Hear about the interesting and varied career paths of Newnhamites who have walked in your shoes?

Like to ask a fellow Newnhamite those burning questions from 'what's it like organising an ITU', 'how do I get into healthcare policy', 'how do I get experience', 'how can I prepare for an interview', and many more.

Have the chance to discuss your CV and get prepared with a mock interview?

Come and join us to find out more!

Newnhamite undergrads and postgrads are invited to join us for a Healthcare provision and policy including Veterinary medicine Q&A Zoom on Tuesday 21st July 5.30-6.30.

To book your place, please register at: <https://www.newn.cam.ac.uk/event/associates-career-support-programme/>

	<p>Ann is a senior leader in the NHS. She read History and then professional qualification and an MBA. She latterly added a coaching qualification although at the moment is fully committed into supporting the NHS with Covid 19.</p>
	<p>Ros is a Radiologist. She read Natural Sciences before studying medicine then radiology. She is a consultant at St Georges Hospital in London (home of 24 hours in A&E). She specialises in breast cancer imaging and has been director of radiology and medical director at St Georges. She combines clinical practice with research, teaching, non-executive director and charity trustee work.</p>
	<p>Michelle is an anaesthetist. She read Medical Sciences at Newnham before completing her clinical studies at King's College London. After 10 years working in London she recently re-located to Guernsey, where she is lead for paediatric anaesthesia. Teaching and training in low and middle income countries has been a significant focus of her career and she regularly volunteers as faculty with Orbis International.</p>
	<p>Patricia chairs the Norfolk & Waveney Health and Care Partnership, one of the integrated care systems now being created in England. After reading English at Newnham, Patricia worked in the voluntary sector, was elected MP for Leicester West in 1997 and served in the Blair Cabinets Minister, including as Secretary of State for Health. She is an adviser to a digital health start-up, a non-executive director of Getlink and active in charity work.</p>
	<p>Fran is an equine veterinary surgeon working at Newmarket Equine Hospital. Fran read Veterinary Medicine at Newnham and worked in academia in the US and private practice in Berkshire prior to her current position. She specialises in equine surgery and equine sports medicine, particularly causes of lameness and poor performance. She combines clinical practice with research, work as a charity trustee and volunteer work through a number of professional bodies including the European College of Veterinary Surgeons (ECVS) and British Equine Veterinary Association (BEVA).</p>
